

# Adult Canine Disease Prevention Plans (Ages 1-6)

## All the care for the year

30% + Minimum Savings on this plan

### BASIC CARE PLAN

5% off other services\*

The Basic Care Plan provides the core foundation of care that each dog needs.

Monthly Payment \$41.00  
One-Time Payment \$472.00 (\$20 Savings)

 Basic Care includes:

**Medical and Physical Exams** • Unlimited\*\*

**Vaccines** • Vaccines are given based upon your dog's lifestyle, age and health status.

#### Diagnostics

- **Twice-a-year intestinal parasite test (fecal exam)**
- **Heartworm test (4DX Test)** - Includes screening for common tick-borne diseases.
- **Health screen (Blood work & Urinalysis)**  
Internal physical exam, allows for early detection and prevention of disease, such as anemia, diabetes, kidney disease and bladder infection.
- **One Ear cytology test** (detects ear infection)

#### Parasite Prevention

- **Twice-a-year deworming** (roundworms & hookworms)

- 10% Discount on 6 month supply or more of Heartworm & Flea Medications (*We recommend year round heartworm and flea preventative.*)

25% + Minimum Savings on this plan

### STANDARD CARE PLAN

10% off other services\*

This plan adds the all important dental cleaning to the Basic Care Plan.

Monthly Payment \$59.00  
One-Time Payment \$688.00 (\$20 Savings)

 Includes Basic Care services, plus:

#### Dental Cleaning

Annual dental cleaning is the "standard" for most dogs. For pets with severe dental disease, we have an option for semi-annual cleanings. Healthy mouths protect against numerous diseases and improve oral hygiene -meaning better breath!

*Grade 3 & 4 cleanings and extractions require additional fees.*

- **2 Dental x-rays** (as needed)  
\* Full mouth dental x-ray additional \$89.00
- **Toenail Trim** (included at time of dental cleaning)

#### Added Benefits For ALL Plans:

- 35% Off second Wellness Blood Screen & Heartworm Test as needed

30% + Minimum Savings on this plan

### TOTAL CARE PLAN

15% off other services\*

This is a good choice for pets of all ages. This package allows us to better manage the pet's quality of life.
