

Senior Feline Disease Prevention Plans (Ages 7 and up)

All the care for the year

20% + Minimum Savings on this plan

BASIC CARE PLAN

5% off other services*

The Basic Care Plan provides the core foundation of care that each cat needs.

Monthly Payment \$38.00
One-Time Payment \$436.00 (\$20 Savings)

 Basic Care includes:

Medical and Physical Exams • Unlimited**

Vaccines • Vaccines are given based upon your cat's lifestyle, age and health status.

Diagnostics

- Twice-a-year intestinal parasite test
- Senior health screen (Blood Screen & Urinalysis)
Internal physical exam for the middle age and older pet, allowing for detection and prevention of common problems of pets that are 7 and older, such as anemia, infection, diabetes, kidney, liver, endocrine and bladder diseases.

Parasite Prevention

- Twice-a-year deworming (roundworms & hookworms)

25% + Minimum Savings on this plan

STANDARD CARE PLAN

10% off other services*

This plan adds the all important dental cleaning to the Basic Care Plan.

Monthly Payment \$54.00
One-Time Payment \$628.00 (\$20 Savings)

 Includes Basic Care services, plus:

Dental Cleaning

Annual dental cleaning is the "standard" for most cats. For pets with severe dental disease, we have an option for semi-annual cleanings. Healthy mouths protect against numerous diseases and improve oral hygiene -meaning better breath!

Grade 3 & 4 cleanings and extractions require additional fees.

- 2 Dental x-rays (as needed)
* Full mouth dental x-ray additional \$59.00
- Toenail Trim (included at time of dental cleaning)

30% + Minimum Savings on this plan

TOTAL CARE PLAN

15% off other services*

This is a good choice for pets of all ages. This package allows us to better manage the pet's quality of life.
